

Introducing . . .

Compassion in Action Ministry Fund

HIV Ministry

The Compassion in Action Ministry Fund supports ministry to people touched by HIV in Phoenix, Arizona. Nutritional food boxes are delivered to help people with HIV who are living on a limited income.

Support also provides funding for Abundant Life, the monthly ministry fellowship meeting which includes a shared meal, a time of worship, and a safe place to connect and discover how to live a fuller life in Christ.

Compassion in Action's Care Program offers volunteers a ministry of friendship that provides compassionate participant-focused visitation, encouragement, and non-medical support for those affected by HIV as they express the compassionate presence of Jesus.

Missionary **Steve Robenalt** directs and oversees the Compassion in Action ministry and the distribution of the Compassion in Action Ministry Fund.
