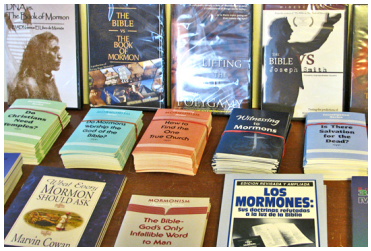
Introducing . . .



Utah Christian Publications

Utah Christian Publications

In 1964 the Utah Ministry Fund began providing temporary support for pastors of new churches in Utah to help them achieve self-support.

It still does that and has also helped with temporary support for Bible academy teachers, evangelistic outreach programs, building programs, and other special projects or needs of our Utah ministries.

Almost every church in our Utah association has received some help from the Utah Ministry Fund at some time.

Missionary **Marvin Cowan** oversees the use and distribution of the Utah Ministry Fund.
