

Introducing . . .

Jeff and Nancy Brady

Teams

FIELD

Jeff and Nancy began working in 1996 under the national leadership in Honduras and Nicaragua doing church construction. They continue making trips each year to bring teams where they're needed to help out with labor and supplies.

FAITH

Jeff accepted the Lord when he was 18 years old, and felt the Lord leading him in a new direction, but he wasn't sure what direction at that time. When Jeff went on his first mission trip in 1989 he immediately felt the Lord calling him to continue working in missions.

Nancy accepted Christ when she was 19 and was also searching for God's direction in her life.

FAMILY

Jeff and Nancy were married in 1983 and started their business (Brady Trucking) in the same year. They have three children all living near them in Washington, and two beautiful grandchildren.
