Isaías and Olga Cantarero

Church Planting and Leadership Development - Honduras

FIELD

Missions Door appointed Isaías to minister among the Lenca Indians under the oversight of Erick Sanchez in Western Honduras in 2006. He is also the Coordinator of Bible Education for the church leaders and laymen there.

Isaías is working full time planting churches in the communities of Northern Intibucá. Olga collaborates in ministry by teaching the Bible to leaders, ladies and children. They have both seen God's hand transform lives and communities among the Lenca culture, people who have great spiritual and material needs.

FAITH

Isaías grew up in San Nicolás, Intibucá, Honduras, with his parents and seven siblings. He accepted Jesus Christ as his personal Savior in 2003, and immediately God put on his heart that he should study His word.

Isaías attended Instituto Bíblico Lenca in La Esperanza, Honduras (the Lenca Bible Institute), studying for six months and preaching all he was learning. He studied for two years at the Central American Biblical Seminary of Honduras (SEBCAH) in Siguatepeque and did his practical ministry in the San Nicolás community at the same time.

That's where Isaías met his wife Olga, who was there on an outreach project from the capital – Tegucigalpa.

FAMILY

Isaías and Olga were married in 2006. They are the proud parents of twin girls: Melisa Esther and Melisa Sarai.
