

Introducing . . .

## Lexi Nesbitt

### Campus

#### **FIELD**

Lexi saw the great spiritual need of college students while attending State University of New York - Brockport and felt God's call for her to minister on college campuses. Her desire is to reach out and build relationships with the students on campus and share Jesus Christ with them.

"Relationships are key," Lexi says. "God is doing awesome things on the Rochester, NY campuses, and I want to be a part of it!"

In 2007 she planted a Campus Ambassadors ministry at Monroe Community College, where she is currently ministering.

Since 2003 Lexi has been involved in numerous children's camp ministries. Most recently, she has been working with Pathway Ministries, and outdoor adventure outfitter, and is using her passion for the outdoors to reach college students. In 2008 she will be taking her first group of Campus Ambassadors students on a spiritual adventure with Pathway Ministries.

#### **FAITH**

Lexi committed her life to Christ when she was 5 years old. In college she majored in Recreation and Leisure Studies at SUNY Brockport and graduated in May of 2006.

It was at SUNY Brockport that she became involved in Campus Ambassadors and soon realized that God was calling her to become a campus minister.

#### **FAMILY**

Lexi grew up in a Christian home and is the oldest of four children.
