

Presenting
Halie Saldana
Campus Ambassadors

Ministry Focus

Halie was appointed to serve as an Intern with Campus Ambassadors at Fitchburg State University on December 19, 2017. Halie became involved with Campus Ambassadors in the Spring of 2017, and has been a devoted member ever since. She is excited to start this new journey with campus ministry.

Campus Ambassadors has become a huge influence in Halie's faith journey, as she has seen the impact it has had in her own life and on her campus. Halie is eager to see how God continues to work in her life and on her campus.

Faith Story

Halie grew up in a Christian home; attending church and going to Christian schools for most of her life. She accepted Christ and was baptized at a young age. It was in high school that is when she began to pursue a personal relationship with God. Upon starting college Halie fell into a typical college life style; it wasn't until finding Campus Ambassadors that God began to call her back to Him. With the support of her CA family and guidance of her campus minister she found a new understanding of purpose, meaning, and identity in her salvation in Christ.

Family & Education

When Halie is not at Fitchburg State, she lives in Lewiston, Maine with her parents and younger sister. They are very supportive of this new journey and can't wait to see how God continues to use Halie on the FSU campus.
