Lauren Magan

Campus Ambassadors Intern

Ministry Focus

Lauren found Campus Ambassadors at Fitchburg State University in the fall of 2014 and has been a devoted member ever since. Appointed as a student intern by Missions Door on May 18, 2016, Lauren is excited to start her journey into campus ministry.

Lauren has seen the amazing impact of college ministry in her own life and wants to give that back to as many people as she can reach. Campus Ambassadors changed everything about Lauren's faith journey and she hopes to walk beside others as they discover who Christ is and what it means to be His disciple just like many others did for her.

Faith Story

Lauren grew up in a Christian home, accepted Christ and was baptized at a young age. She didn't really own her faith for herself until she found Campus Ambassadors in her freshman year of college. With the support of her newfound CA family and guidance from campus ministers, her life began to take on purpose and meaning in ways she never imagined were possible. After serving in various leadership positions for CA at Fitchburg State, Lauren's passion for campus ministry grew and lead her to pursue the mission further as an intern.

Family & Education

When Lauren is not at Fitchburg State, she lives in Epsom, New Hampshire with her parents, brother, and grandparents. She is very thankful for their continued love and support throughout her life as they show her great examples of what it means to live your life for Christ.
