

Introducing . . .

Jacob Heinz

Campus Ambassadors Church Planting

FIELD

Jacob wants to love and see people transformed by God's grace. His desire is to serve the student community at the University of Arizona, Tucson, and worship God with his whole self. God is working in big ways at the University and he is happy to be a part of it.

FAITH

Jacob has been a believer from a young age. He accepted Christ when he was very young and God has manifested Himself in his life in extraordinary ways by nurturing and guiding his journey to Missions Door.

FAMILY

Jacob's family have all been saved and have been regular church goers their whole lives. They helped lay the foundations for his faith and have showed him how to live a godly life. They have been through a lot together. Some of their best experiences have been touring Europe while his father was in the military.
